Vice Admiral V. P. de Poix
Director, Defense Intelligence Agency
Washington, DC 20301

Dear Vince:

This is in response to your letter of May 4, 1973 to the DCI regarding the Technical Surveillance Countermeasures Committee.

Mr. Schlesinger has directed, as you know, a review of the functions and structure of all USIB Committees. We have nearly completed the process of that review but have not presented any results to the Chairman of USIB yet. I appreciate your interest in the TSCC and when our review is complete we will provide you an opportunity for further comments on any proposed changes to the TSCC. In the meantime, we will insure that the Committee continues to respond to your needs.

Sincerely,

 STATINTL
Assistant Deputy to the DCI
for the Intelligence Community
